

# CMI Level 7

We understand the dynamic requirements of students and that not all students have the same circumstances and requirements therefore we offer a bespoke, completely flexible course schedule to meet the needs of our students.

Our courses are tailor-made for the individuals who wish to study them, please note that for international non-European students UKBA requirements must be met for immigration purposes.

## **Description:**

There are three Chartered Management Institute senior management qualifications at Level 7

- Award in Strategic Management and Leadership
- Certificate in Strategic Management and Leadership
- Diploma in Strategic Management and Leadership

The CMI Level 7 Award gives senior managers a solid foundation from which to progress in their careers and in their formal leadership development. These qualifications are designed for practising or aspiring senior managers who wish to develop their strategic management skills and knowledge. These qualifications require directors and senior managers to build on their skills in strategic management and leadership and to focus on the requirements of inter-
